## 3 for \$12 Hi-Res Digital Download *Purchase Instructions*

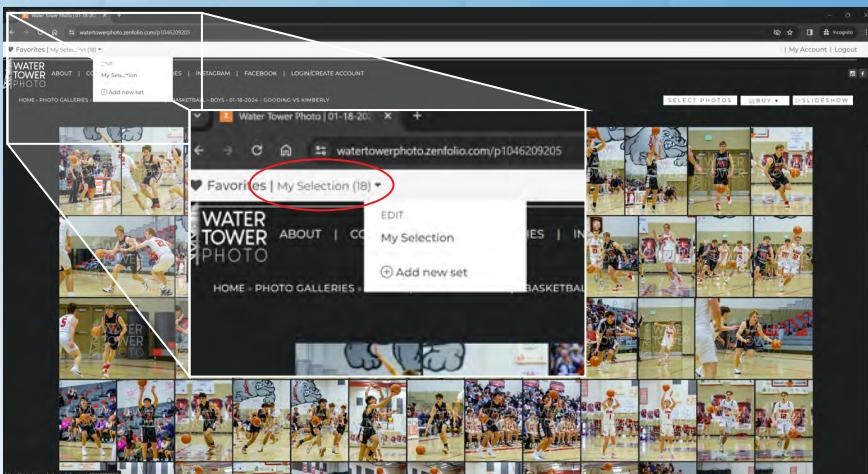

1. In order to quickly and easily select multiple photos to purchase, it's very helpful to save those photos to your "Favorites". To do so, create an account, or login to your existing account if you already have one.

The "Login/Create Account" button is found near the top of the screen.

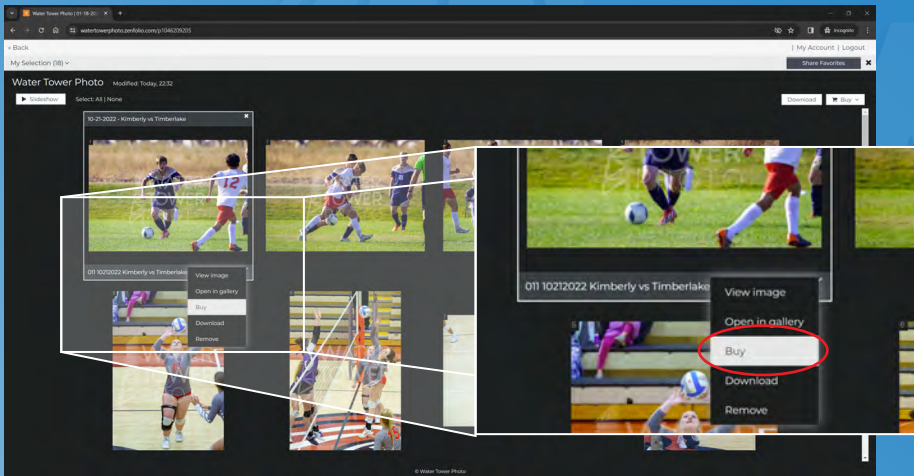

2. After logging in to your account, you can save Favorites by hovering over the desired image and clicking on the "Heart" shaped button in top left corner of the image.

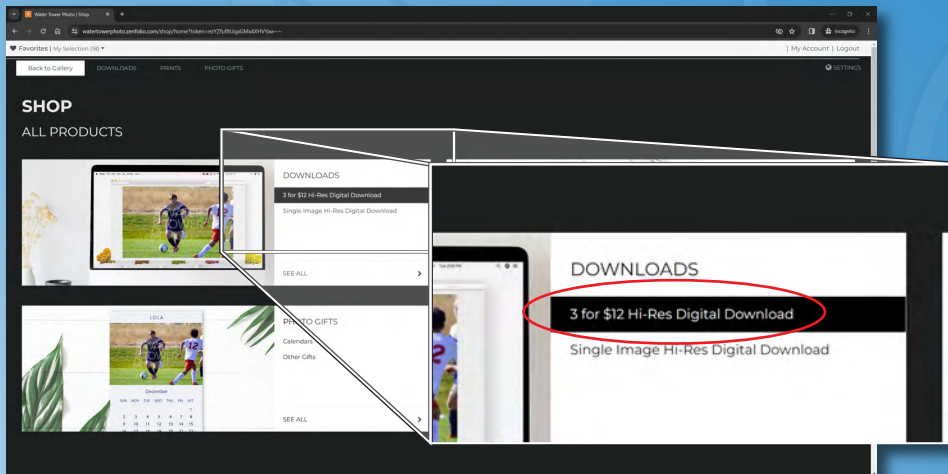

3. Once you have Favorited all of the images you'd like to purchase, click on "My Selection" in the light colored banner near the top of the screen. This will take you to a page displaying all of your Favorite photos.
